# Appointment or withdrawal of an authorised recipient

## Who should use this form?

This form should be used to notify the Department of Immigration and Border Protection (the department) that you are:

- **appointing** an authorised recipient to receive documents that the department would otherwise have sent to you; or
- withdrawing the appointment of your authorised recipient.

Return the completed form to the office where you lodged your application or for any other matter (eg. proposed visa cancellation), to the office of the department that is responsible for that matter. If you are unsure which office is responsible for your matter, this form may be submitted to the nearest office of the department.

### Do not use this form if:

• you are **appointing a migration agent or exempt person** to provide you with immigration assistance and they will also be your authorised recipient.

In this case the migration agent or exempt person should complete form 956 Advice by a migration agent/exempt person of providing immigration assistance.

### Who is an exempt person?

The following people do not have to be registered as migration agents in order to provide immigration assistance:

- a close family member (spouse, child, adopted child, parent, brother or sister);
- a sponsor or nominator of a visa applicant;
- a member of parliament or their staff;
- an official whose duties include providing immigration assistance;
- a member of a diplomatic mission, consular post or international organisation.

An exempt person must not charge a fee for their service. It is an offence for an exempt person to charge a fee for providing immigration assistance and penalties of up to 10 years jail can apply.

## Authorised recipient

An authorised recipient is a person appointed to receive documents from the department relating to matters arising under the *Migration Act 1958* (the Act) or the Migration Regulations 1994 on behalf of another person.

The most common times an authorised recipient would be appointed is during visa application processes, visa cancellation processes, sponsorship processes (including monitoring or sanctions) or ministerial intervention requests.

The department cannot discuss matters relating to you with the authorised recipient unless they are also acting on your behalf as your migration agent/exempt person, or you have separately provided the department with consent to disclose your personal information to them.

You may only appoint one authorised recipient at any time for a particular application or matter. The department will send documents to the most recently appointed authorised recipient.

The department is required under the Act to send your authorised recipient any documents relating to your matter (eg. visa application or cancellation of a visa), that would otherwise have been sent to you. Under most circumstances, you will not receive a separate copy of the documents. You are taken to have received any documents sent to your authorised recipients as if they had been sent to you.

You should be aware that the documents sent to your authorised recipient might include sensitive information about matters such as your health and character.

If you change your authorised recipient or end their appointment you must promptly advise the department. You may use this form for that purpose.

## **Dependent applicants**

All persons listed on this form will be considered to have appointed the same authorised recipient.

If a person 16 years of age or older wants to appoint a different authorised recipient they should complete a separate form 956A.

## Consent to communicate electronically

The department may use a range of means to send documents to your authorised recipient. However, electronic means such as fax or email will only be used if your authorised recipient indicates their agreement to receiving documents on your behalf in this way.

To process your matter with the department (such as visa application or visa cancellation action), the department may need to communicate with you about sensitive information, for example, health, police checks, financial viability and personal relationships. This means the information may be contained in the documents that are sent to your authorised recipient. Electronic communications, unless adequately encrypted, are not secure, and any information about you sent electronically to your authorised recipient may be viewed by others or interfered with. If your authorised recipient agrees to the department sending your documents to them by electronic means, the details they provide will only be used by the department for the purpose of sending documents. They will not be added to any mailing list.

The Australian Government accepts no responsibility for the security or integrity of any information sent to the department over the internet or by other electronic means.

## Important information about privacy

Your personal information is protected by law, including the *Privacy Act 1988*. Important information about the collection, use and disclosure (to other agencies and third parties, including overseas entities) of your personal information, including sensitive information, is contained in form 1442i *Privacy notice*. Form 1442i is available from the department's website **www.border.gov.au/allforms**/ or offices of the department. You should ensure that you read and understand form 1442i before completing this form.
